ABOUT COACHING

Coaching youth baseball is one of the most rewarding experiences. Many adults have fond memories of their own youth baseball coach and this is your opportunity to pass along that positive experience to the next generation. You don't need previous experience, just a desire to be a positive role model and a willingness to become a part of **Stoughton Baseball**.

Stoughton Baseball provides coaches training and guidance to help you be the best coach you can be. Additional training opportunities are available throughout Dane County and we encourage you to attend as many coaching clinics as possible.

The youth baseball coach is integral to the success of the program and ultimately will contribute to the success of the High School Program.

We can only form as many teams as we have Coaches, so volunteer to be a Youth Baseball Coach and enrich the lives of some Stoughton Youth Players. *(coaching form on back cover)*
